## DEPARTMENT OF HIGHWAYS

### NOTICE TO CONTRACTORS

Fort George Electoral District

Bituminous Surfacing, 1965/66

Project No. S-6165—Northern Trans-Provincial (No. 16E-Giscome) Highway and Cariboo Highway Sections (4.9 Miles).

SEALED TENDERS, marked "Tender for Bituminous Surfacing, 1965/66—Project No. S-6165," will be received by the Minister of Highways in his office at the Parliament Buildings, Victoria, B.C., up to 2 p.m. (Pacific Daylight Saving time) on Wednesday, the 5th day of May, 1965, and opened in public at that time and date.

Plans, specifications, and conditions of tender may be obtained from the Department of Highways, 207 West Hastings Street, Vancouver 3, B.C., or from the undersigned for the sum of ten dollars (\$10), which is not refundable.

Each tender must be accompanied by a certified cheque or a bid bond in an amount equal to five per cent (5%) of the tender price. This cheque or bond shall be forfeited if the tenderer declines to enter into contract. If a bid bond is used, a performance bond in the amount of one hundred per cent (100%) of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder prior to the award of the contract. If a deposit cheque is used, it shall be retained and forfeited if the contractor fails to carry out the work contracted.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways, in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time-limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

H. T. MIARD,  
Deputy Minister.

### APPLICATION FOR PERMIT UNDER POLLUTION-CONTROL ACT

B.C. Packers Limited, of Imperial Plant, Steveston, B.C., hereby applies to the Secretary, Pollution-control Board, for a permit to discharge plant wash water and septic-tank effluent into Steveston Basin, which flows west and discharges into Strait of Georgia, and gives notice of its application to all persons affected. The point of discharge shall be located at approximately 500 feet south and 400 feet west of the south-east corner of Lot C, Section 11. The land upon which the effluent originates is Lots 4 and 5 of Section 11, Block 3 north, Range 7 west, Plan 765.

The quantity of effluent to be discharged is as follows: Maximum hourly rate, 2.0 cubic feet per second, 750 imperial gallons per minute; maximum 12-hour discharge, 300,000 imperial gallons; average 24-hour discharge, 155,000 imperial gallons.

The operating season during which the effluent will be discharged is March 15th to October 15th for wash water and septic-tank effluent and October 15th to March 15th for septic-tank effluent only.

The characteristics of the effluent to be discharged are as follows: Suspended solids (p.p.m.), 240 average before treatment, 60 average and 60 maximum after treatment; total solids (p.p.m.), 460 average before treatment, 110 average, and 570 maximum after treatment; biochemical oxygen demand (p.p.m.), 260 average before treatment, 110 average and 230 maximum after treatment; pH, 7.1 average before treatment, 7.1 average and 7.1 maximum after treatment; temperature (degrees Fahrenheit), 50° before and after treatment; coliform bacteria (average m.p.n. per 100 ml.),  $3.1 \times 10^6$  average before treatment,  $3.1 \times 10^6$  average and  $24 \times 10^6$  maximum after treatment; toxic chemicals (p.p.m.), none.

The type of treatment to be applied to the effluent before discharge is as follows: Wash water—primary screening followed by removal of suspended solids in rotary 60-mesh screens; sanitary waste—removal of suspended solids in septic tank.

A copy of this application was posted at the proposed point of discharge on the 15th day of April, 1965.

Dated April 15, 1965.

## LEGISLATIVE ASSEMBLY

## PRIVATE BILLS

## Excerpt from Standing Orders Relating to Private Bills

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session:—

- (a) A printed copy of such Bill;
- (b) A copy of the petition to be presented to the House;
- (c) Copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the

Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

Dated January 5, 1949.

E. K. DEBECK,  
Clerk, Legislative Assembly.

# CERTIFICATES OF INCORPORATION

## COMPANIES ACT

No. 64137.

NOTICE is hereby given that "Inter B.C. Gas Transmission Ltd." was incorporated under the *Companies Act* on the 7th day of April, 1965.

The authorized capital of the Company is one hundred and twenty-five thousand dollars, divided into one hundred and twenty-five thousand common shares of a nominal or par value of one dollar each.

The address of its registered office is 502 Yorkshire House, 900 West Pender Street, Vancouver, B.C.

The objects for which the Company is established are:—

(a) To buy, sell, supply, distribute, and deal in petroleum, natural gas, oil, and other natural or manufactured fuel products for lighting, heating, motive power, or any other purposes whatsoever, and to that end acquire, construct, maintain, and use pipes, pipe-lines, or any other method of transporting and delivering the products of the Company:

(b) To prospect for, develop, drill, bore, sink mine, dig for, produce, procure, manufacture, buy, sell, use, dispose of, and deal in petroleum, natural gas, oil, salt, metals, minerals and mineral substances, and other natural, artificial, or manufactured fuel products, and to that end to trade in, deal in, and contract with reference to lands and products thereof, or interests in lands, mines, quarries, wells, leases, privileges, licences, concessions, and rights of all kinds concerning, relating to, or containing or believed to cover, relate to, or contain petroleum, natural gas, oil, salt, chemicals, metals, minerals or mineral substances of any kind:

(c) To construct, purchase, lease, or otherwise acquire, and hold, develop, operate, maintain, control, lease, mortgage, create liens upon any and all pipe-lines and all appurtenances relative thereto for gathering, processing, transmitting, transporting, storing, and delivering natural and (or) artificial gas and other gaseous or liquid hydrocarbons, and oil, and including pumping-stations, terminals, storage tanks or reservoirs, and all works relative thereto for use in connection with said pipe-lines, and to purchase, or otherwise acquire, process, transmit, transport, and sell or otherwise dispose of and distribute natural and artificial gas and other gaseous or liquid hydrocarbons and oil and petroleum products of all kinds:

(d) To acquire, hold, improve, lease, exchange, operate, sell, deal in, and control timber, farming, ranching, grazing, coal, petroleum, natural gas, mineral, and other lands, or any interest or rights therein, and the products thereof; to build, construct, equip, maintain, operate, and control plants, mills, mines, quarries, kilns, foundries, furnaces, smelters, wood-working and other factories, reduction and concentration and other works for the development, handling, preparing, and rendering commercially valuable and available the various products thereof:

(e) To carry on at such cities, towns, villages, place or places as the Company may from time to time determine, subject to local, provincial, and municipal regulations in that behalf, the business of an electric-light company in any or all of its branches, and in particular to acquire, construct, lay down, establish, fix, carry out, and maintain all power houses, build-

ings, erections, works, generating-stations, sub-stations, cables, wires, lines, poles, accumulators, lamps, apparatus, machinery, equipment, and things necessary or convenient for the purposes thereof, and to acquire, general, accumulate, distribute, supply, and deal in electricity for light, heat, power, or any other purpose whatsoever, and to light cities, towns, villages, or other municipalities, streets, houses, buildings, and places, both public and private:

(f) To carry on the business of electricians, mechanical engineers, and manufacturers, and workers, and dealers in electricity, natural gas, and other fuel products, motive power, heat, and light, and any business in which the application of electricity, gas, or any power, like or otherwise, is or may be convenient, useful, or ornamental, and to manufacture, sell, and lease to other corporations, and to public and private consumers of light, heat, or power, all goods, wares, merchandise, property, and substances now used in the production thereof or incidental thereto, or that hereafter may be invented, discovered, or become known therein, and to manufacture, contract for, and furnish light, heat, and power to other corporations, persons, and firms, public and private; provided always that the foregoing powers shall be subject to all provincial, municipal, and local laws and regulations affecting the same:

(g) To acquire by lease, purchase, exchange, gift, or otherwise, and to build, erect, construct, own, operate, maintain, equip, and control manufactories, reservoirs, and buildings of all kinds, furnaces, foundries, workshops, refineries, mills, and factories, with suitable plant, boilers, engines, machinery, fittings, apparatus, and appliances:

(h) To acquire, construct, erect, lay down, drill, maintain, enlarge, alter, work, and use all such lands, buildings, erections, derricks, easements, gas and other works and plants, wells, reservoirs, machinery, plant, stock pipes, pipe-lines, lamps, motors, fittings, meters, apparatus, equipment, material, and things, and to supply all materials, products, and things as may be necessary, incidental, or convenient in connection with the acquisition, production, use, storage, regulation, measurement, supply, piping, and distribution, purchase, and sale, or other dealing in all or any of the products of the Company:

(i) To carry on the business of manufacturer and refiner of oils, grease, petroleum, and the by-products thereof; to deal in, import and export, and sell, lease, or otherwise dispose of oil, grease, chemicals, or rights or interests therein, and to purchase, buy, sell, and deal in crude petroleum oil and other oils, grease, and other products, thereof; to erect, acquire, buy, purchase, purchase, lease, or otherwise maintain and operate oil refineries or plants; to work the same; to store, tank, warehouse, refine crude petroleum oil and other oils, grease, and chemicals; to construct and maintain oil works on the property of the Company, and to do all acts, matters, and things as are incidental or necessary to the due attainment of the above objects, or any of them; to carry on the business of bonded warehouses, custom brokers, and storage warehouses:

(j) To carry on the business of general contractors for the location, designing, planning, construction, and equipment of public and private works and constructions of every kind and nature and of every phase thereof:

(k) Subject to the *Engineering Profession Act* and the *Architectural Profession Act* to carry on the business of civil, mining, mechanical, electrical, hydraulic, chemical, or structural engineering, and to perform architectural work of all kinds, including reporting on, designing, preparing of plans or specifications of, locating, or directing the construction of any works, or any phase of any works, including, but without restricting the generality of the foregoing, public utilities, industrial works, railways, bridges, highways, rights-of-way, pipe-lines, harbour-works, steam engines, pumps, internal-combustion engines, electrical machinery and apparatus, works for the development, transmission, or application of power, light, heat, fuel, gas, or oil, municipal works, irrigation works, water-works, and all buildings and constructions necessary to the proper housing, installation, and operation of any of the foregoing:

(l) To carry on the business of dealers in and manufacturers of plants, instruments, engines, and machinery, and the business of tool makers, brass founders, metal workers, boiler makers, millwrights, instrument makers, machinists, iron and steel converters, smiths, steam and gas fitters, woodworkers, builders, painters, metallurgists, electrical, civil, and oil, gas, and water supply engineers, gas makers, carriers, and merchants; to buy, sell, manufacture, repair, convert, alter, let or hire, and deal in machinery, implements, rolling stock, and hardware of all kinds:
